|---|------|------|---|---|---|------|------|
| Other Covenant-related Action                 |      |      | Ask Presiding Officers to appoint Executive Council task force to consult with Standing Commission on Constitution and Canons, at least one church historian, and TEC's AAC members to monitor development of Anglican Covenant with particular attention to Section 4; document changes needed to Constitution and Canons of TEC to adopt Covenant; analyze how those changes may alter TEC identity and polity; and consider other matters helpful to TEC's continued unity with other Communion churches | Ask Presiding Officers to appoint task force to assist Standing Commission on Constitution and Canons in preparation of changes needed to make Covenant constitutionally and canonically active and effective, and to prepare historical and theological study guide and other teaching materials deemed useful | After extensive study, TEC is unable to reach consensus and is unwilling to expend additional resources on Covenant |      |      |
| Follow-up to Other<br>Covenant-related Action |      |      | Task Force should report findings and recommendations to Executive Council and, through Council, to 78th General Convention   | Task Force should complete work in time for 78th General Convention to take appropriate action  |   |      |      |
| Financial Commitment                          |      |      |   | Request Joint Standing Committee on Program, Budget and Finance to consider allocating \$20,000 for implemention of resolution  |   |      |      |
